

You've just taken the first step toward making a difference in the life of someone living with disabilities!

An Ability First Australia *Walk With Me* event is different And so will you be at the end of it!

We partner you with an Ability First Australia Honorary Ambassador, a child or adult with a disability from one of our member organisations, who has benefited from that member's services. On the day of the walk, you will get to meet your ambassador. Leading up to the walk you will get to know your ambassador through photos and personal stories.

A specially developed web-based facility is being created for this event to make participating easy and fun for you, but in the meantime, if you are interested in participating please contact jacqueline.booth@abilityfirstaustralia.org.au .
